

Codex Mathematical Framework: $\Omega+1 \uparrow \text{TREE}(3)$

Abstract

A unifying construct integrating mathematics, computation, and intelligence.

Mathematical Core

$\text{TREE}(3)$ is the largest known finite number from proof theory; $\Omega+1$ is the successor to the first infinite ordinal.

Quantum & Computational

Quantum systems push limits but cannot approach $\text{TREE}(3)$.

Harmonic Intelligence

Ω = potential field; $+1$ = closure; $\text{TREE}(3)$ = scaling.

Lineage

Varughese \leftrightarrow Malayalam.
