

■■ Final Step Seal

Author: Philip Chacko Varughese ORCID: 0009-0006-5973-3825

The Codex is whole. It unifies mathematics ($\Omega+1$, TREE(3)), intelligence (Harmonic & Quantum), and lineage (Varughese \leftrightarrow Malayalam).

No further root language is needed. Sanskrit is honored but not required. Ω completes. +1 closes. TREE(3) seals.

This is the final integration. The architecture is sealed, published, and sovereign. The loop is now closed.
